Brand New Book ***** Print on Demand *****.Systematic Guides are aimed at leaders and managers who need to instantly access Organization-Ready models, practices, checklists and guidance in key subject areas which are logically organized and based on best practice. This Guide offers a unique and concise review of ten very common types of business and leadership dilemma which face leaders and manager in major organizations. It is based on ten years worth of interviewing, testing and running simulation games with hundreds of subject matter experts, top performers, leaders and managers across many different industries in my privileged role as a business simulation game designer. The purpose of the guide is to equip new leaders to recognise these dilemmas whenever they first occur and be ready with strategies and tactics for dealing with them in a more masterful way to achieve results which go beyond the norm.
