Brand New Book ***** Print on Demand *****.We see big smiles on people s face after a big achievement. It is expressed as one kind of victory. There are many ways by which people can get those achievements. One of those ways is observed after clearing an interview. It is a dream comes true experience which was eagerly wanted by that person. But unfortunately, most of the time, we ensure the failure much before the interview begins by lack of preparation, some unknown fear and lack of our self-confidence. In last 10 years, I have always seen the same pattern. Thanks to my great teachers, my successful seniors and my true friends -through them I have got a simple key to solve these problems. Till now, it was in my personal notebook and only very few people knew about this success formula. Thanks to GOD who has given me more than enough in my life and I am now confident enough to disclose the formulas one by one. In this book, I have given you the key to pass (my best wishes are with you) a Computer Science interview where Operating System (OS) will be your guide to crack that interview. On successful completion of the book, you can easily handle all the obstacles mentioned earlier. The simple key is: most of the time a true interviewer asks you the fundamental questions. He/she knows that anyone can develop a specialized knowledge if the basic fundamentals are clear to that interviewee. But unfortunately most of the time, a candidate spend most of his/her time on the tough questions -answers of which are not easy to remember if the foundation is weak. So, with...
