Reviews

*This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

COMMON GROUND: DISCOVERING COMMUNITY IN 150 YEARS OF ART;

Merrell Publishers Ltd, 2004. Gebundene Ausgabe. Book Condition: Neu. Neu new item; still sealed; Neuware; new item; Common Ground is a stunning collection of more than 160 evocative photographs, paintings, drawings, and sculptures selected from the collection of Julia J. Norrell, a child of the South and the daughter of two members of Congress who treasures art's revelation of both beauty and truth (however disturbing), capacity for inspiring compassion, and celebration of diversity and resiliency. Her vision is praised by Bill Clinton in his foreword and elucidated in detail by Philip Brookman, a curator at the Corcoran Galley of Art in Washington, D.C. The works themselves embody essential and universal aspects of the human experience, namely our sense of place and time, hope and belief, memory and tribute. The photographs rule the book, particularly indelible images by Walker Evans, Roy DeCarava, Chester Higgins Jr., and Gordon Parks, but every work is compelling, and the juxtapositions and synergy found between this unusual book's covers are truly inspiring. - Englisch.
