

The Blood of Government: Race, Empire, the United States, and the Philippines

By Kramer, Paul A.

The University of North Carolina Press, 2006. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Examining racial politics during American colonial rule in the Philippines, Kramer shows that Americans did not merely export their own racial politics on a blank slate; rather, they dispensed power on the basis of race, but often faced contentious dialogue about it with Filipino elites. He argues that in order to understand Philippine-American colonialism, it is important to consider the Spanish period of colonization that preceded it.
