Createspace, United States, 2012. Paperback. Book Condition: New. 280 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is a complete system for betting on the MLB underdogs. No stone will be unturned, and once the book is completed, you should be able to use the system profitably. I have been gambling for over 26 years, and have made every mistake there is. I have tried every single type of money management system known to man. I did not become a consistent winner until I realized that I better quit worrying about how much I was winning and started concentrating on how little I could lose. I developed the CONTROL methodology, and this revolution turned my losing ways, into winning days. My guess is you have bought this book since you have been losing, while betting America s past time. My guess is you are out of control, and with CONTROL, you can change your luck. It will not be easy. You will have to make the commitment, and follow through. This book will show you which games to play, and how to play them. Most of you know how to do research, and fail miserably with your money risk control. Knowing how to play the games is the key to success. Knowing the proper amounts to start with and the amount to play after a win or loss is the key to gambling. This technique was over 20 years in the making, so please take it all in. You may not like or agree what I have to say, but I can assure it has worked for me. This is the only way I play underdogs in baseball. This book will give a brief summary on the CONTROL technique as it applies to...
