

## True Medical Detective Stories

By M D Clifton K Meador

Createspace, United States, 2012. Paperback. Book Condition: New. 224 x 146 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Modern technology has given rise to electronic medical records, remote monitoring systems, and satellite-enabled real-time examinations in which patient and physician might be separated by thousands of miles. Yet, when it comes to diagnosing difficult cases, the clinician's strongest asset might just be one of the oldest tools of the medical profession-careful listening. True Medical Detective Stories is a fascinating compendium of nineteen true-life medical cases, each solved by clinical deduction and facilitated by careful listening. These accounts present puzzling low-tech cases-most of them serious, some humorous-that were solved either at the bedside or by epidemiological studies. Dr. Clifton Meador's book is a wonderful contribution to the genre of medical detective stories mastered by the legendary Berton Roueche. As a staff writer at The New Yorker from 1944 until his death fifty years later, Roueche popularized this form, which has provided source material for feature films and most recently supplied scenarios featured in medical television dramas, such as House. While Hollywood frequently oversimplifies and elides the real clinical situations, True Medical Detective Stories sets the record...
