Hodder Education. Paperback. Book Condition: new. BRAND NEW, OCR General Studies for A Level: Culture, Science and Society - Making Connections: Unit 4: Workbook, Jan Robinson, A workbook to support students preparing for OCR's General Studies AS Level Unit 4. Unit 4 of A2 is also synoptic. An issue is presented via source material that students have to interpret and comment on through essay writing. This workbook is designed for independent study or classroom use. It progressively builds the skills needed for this examination. It builds students' confidence and helps them to improve their grade through knowing exactly what kind of answers are required. It is the short answer questions where students most often lose the most marks through not understanding what is required.
