Dana Minney gives a fresh approach to parenting in *The One Minute Parent*, 2nd Edition. It is a very real and lively account of her life with her twin boys. She readily shares the coaching tools developed over years through her business and her study of Family Dynamics. It is an innovation in parenting, very simply, because it is the first time the benefits and the application of game theory in the home has been explained so clearly and powerfully! A very quick read, this book shows the three basic habits that make organizations successful and how to apply them to your family system. You will read stories and learn how to create more harmony, integrity and fun in your family dynamic. Plus, with the additional content (added to the first edition), you hear many more real life examples from families who have followed a coaching philosophy, or who have participated in Family Case Study Research offered through Dana's How to Coach Your Kids program. Please use and enjoy this book! This item ships from La Vergne, TN. Paperback.
