Effective e-learning for younger students, using Moodle as your classroom assistant Ideal for teachers new to Moodle: easy to follow and abundantly illustrated with screenshots of the solutions you'll build Go paperless! Put your lessons online and grade them anywhere, anytime Engage and motivate your students with games, quizzes, movies, blogs and podcasts the whole class can participate in In Detail Moodle is a very popular e-learning tool in universities and high schools. But what does it have to offer younger students who want a fun, interesting, interactive, and informative learning experience Moodle empowers teachers to achieve all this and more and this book will show you how! Moodle 2 For Teaching 7-14 Year Olds will show complete beginners in Moodle with no technical background how to make the most of its features to enhance the learning and teaching of children aged around 7-14. The book focuses on the unique needs of young learners to create a fun, interesting, interactive, and informative learning environment your students will want to go to day after day. This is a practical book for teachers, written by a teacher with two decades of practical experience, latterly in using Moodle to motivate younger students. Learn how to put your lessons online in minutes; how to set creative homework that Moodle will mark for you and how to get your students working together to build up their knowledge. Throughout the book we will build a course from scratch, adaptable for ages 7 to 14, on Rivers and Flooding. You can adapt this to any topic, as Moodle lends itself to all subjects and ages. What you will learn from this book Set up your lessons directly onto Moodle to save paper...
