The work is also adapted to be used as a text book for teaching chapter summary work. Members of a class may be required to work out for themselves the points suggested on each chapter. The comparing of their leading lessons will make most interesting class work. The teacher may then read the statements given in the Summarized Bible as a guide to the student. In this connection, we would recommend for the use of students, the chapter summary note book designed by Rev. John H. Hunter and published by Biola Book Room, Sixth...
