Brand New Book ***** Print on Demand *****.Giving New Life to Old or Forgotten Communities - Understand the branding of small communities for improved tourism, economic development and placemaking. In this book, David Twiggs discusses tourism in destination communities, destination branding for small cities and community development through tourism. This book intends to layout the components of creating an Integrated Tourism System for Destination Communities. These concepts can be used to develop destination communities in urban as well as rural settings for truly sustainable communities. To build an understanding of this process the following areas will be discussed: - Opportunities Resulting From Value and Behavioral Shifts In Specific Target Markets - Using Complementary Subcultures as Basis for Building Specific Destinations - Understanding Subcultures and Human Capital - Cataloging System Assets and Creating Narrative of Place - Growth and Maturation of Destination Communities Why You Need to Read Destination Community: This book begins with where does the concept of destination community come from, how does it work and where to go from here, how it develops and matures. We see the shifts in cultural values...
