Ace Books, United States, 2006. Paperback. Book Condition: New. 168 x 102 mm. Language: English . Brand New Book. Earth, 2508 A.D. Humans have spread across the six arms of the Milky Way Galaxy. The Unified Authority controls Earth s colonies with an iron fist and a powerful military--a military made up almost entirely of clones.Private first-class Wayson Harris was raised in a U.A. orphanage among thousands of clones born and bred to be the ultimate soldiers. But Harris isn t like the other Marines: he has a mind of his own. He figures he s paying for that independent streak when his first assignment out of boot camp is the smallest Marine outpost in the whole U.A.When a rogue general surfaces, the remote desert world Harris thought was a dead-end posting becomes anything but. Fighting off the general s raid gains Harris a promotion. But it also brings him to the attention of some unfriendly U.A. leaders. They have their own plans for the military--plans Harris disrupts by his very existence. For in an army of clones, the one unforgivable sin is to be different.
