

The Joy of PHP: A Beginner's Guide to Programming Interactive Web Applications with PHP and MySQL

By Alan Forbes

Createspace, United States, 2012. Paperback. Book Condition: New. 231 x 188 mm. Language: English . Brand New Book ***** Print on Demand *****.A Beginner's Guide to Programming Interactive Web Applications with PHP and MySQL Have you ever wanted to design your own website or browser application but thought it would be too difficult or just didn't know where to start? Have you found the amount of information on the Internet either too daunting or not geared for your skill set or worse-- just plain boring? Are you interested in learning to program PHP and have some fun along the way? If so, then The Joy of PHP by Alan Forbes is the book for you!! Alan starts with some basic HTML so the absolute beginner can catch up quickly and then goes step by step on how PHP works. You start with the easy stuff--like how to create and run simple PHP scripts that modify web pages-- and then build on what you've learned through a series of cohesive (and fun) exercises that carry over from lesson to lesson. As the chapters progress you begin to build a web site for a growing used car dealership business....

Reviews

It is one of the best publications. It really is really intriguing through reading through a period of time. You will not feel monotony at any time of your own time (that's what catalogs are for relating to in the event you request me).
