

America s Environmental Report Card: Are We Making the Grade? (Hardback)

By Harvey Blatt

MIT Press Ltd, United States, 2004. Hardback. Book Condition: New. New.. 234 x 152 mm. Language: English . Brand New Book. Americans today are increasingly concerned about the state of the environment. Polls show that a remarkable 63 percent would roll back recent tax cuts to finance environmental protection and that fully 95 percent want environmental education included in the public school curriculum. America s Environmental Report Card offers answers to some of our most pressing environmental questions, providing a timely reminder of what we need to accomplish to achieve a sustainable environment. It lays out the scientific facts about water and air pollution, energy, global warming, and the ozone layer in a lively, conversational style, enhanced by illustrations, and charts a course of action for protecting the environment. America s Environmental Report Card focuses on the environmental issues that polls show are most important to Americans today. It looks at water pollution and the safety of the water supply (20 percent of Americans refuse to drink tap water, at least partly because they doubt its safety), the dangers of floods (increased by the clearing of forests for farms and timber), the leaching of garbage buried in landfills, and pesticide runoff...
