By Holly Rafidi

Carson Dellosa Publishing Company, United States, 2016. Paperback. Book Condition: New. 274 x 208 mm. Language: English . Brand New Book. Interactive Notebooks: Science for grade 1 is a fun way to teach and reinforce effective note taking for students. Students become a part of the learning process with activities about living and nonliving things, habitats, states of matter, light, soil, weather, and more! --This book is an essential resource that will guide you through setting up, creating, and maintaining interactive notebooks for skill retention in the classroom. High-interest and hands-on, interactive notebooks effectively engage students in learning new concepts. Students are encouraged to personalize interactive notebooks to fit their specific learning needs by creating fun, colorful pages for each topic. With this note-taking process, students will learn organization, color coding, summarizing, and other important skills while creating personalized portfolios of their individual learning that they can reference throughout the year. --Spanning grades kindergarten to grade 8, the Interactive Notebooks series focuses on grade-specific math, language arts, or science skills. Aligned to meet current state standards, every 96-page book in this series offers lesson plans to keep the process focused. Reproducibles are included to create notebook pages on a variety...
