

Tratando. depresión infantil

By Barrio Gándara, María Victoria del

Ediciones Pirámide, S.A., 2008. soft. Book Condition: New. En contra de lo que algunos creen, el niño es un buen paciente. Acepta con entusiasmo la ayuda eficaz, y su versatilidad hace sumamente sencillo el cambio de conducta. Sólo hay que salvar dos obstáculos: obtener su confianza y convertir a los padres en aliados terapéuticos. A lo largo del libro se van desgranando estrategias útiles para conseguir esas metas y se hace de una manera concreta, analizando casos reales en los que concurren las dificultades más habituales. No se trata de una ayuda teórica, sino práctica, empírica, donde la realidad aparece con sus dificultades concretas y el terapeuta muestra sus estrategias o argucias para salvarlas. Se pretende orientar al terapeuta para que desarrolle su ejercicio profesional con la seguridad que aporta la experiencia de otros profesionales, y para que sepa desenvolverse en el campo donde interviene.

Reviews

I just began looking over this pdf. It is one of the most amazing pdf i have study. I discovered this book from my dad and i recommended this pdf to understand.

-- **Merritt Kilback II**

Good e book and useful one. I have got read and that i am confident that i will likely to go through once more again later on. It is extremely difficult to leave it before concluding, once you begin to read the book.
