

Understanding by Design (Expanded ed of 2nd revised ed)

By Grant P. Wiggins, Jay McTighe

Pearson Education (US). Paperback. Book Condition: new. BRAND NEW, Understanding by Design (Expanded ed of 2nd revised ed), Grant P. Wiggins, Jay McTighe, The highly anticipated second edition of Understanding by Design poses the core, essential questions of understanding and design, and provides readers with practical solutions for the teacher-designer. The book opens by analyzing the logic of backward design as an alternative to coverage and activity-oriented plans. Though backward from habit, this approach brings more focus and coherence to instruction. The text proposes a multifaceted approach, with the six "facets" of understanding. The facets combine with backward design to provide a powerful, expanded array of practical tools and strategies for designing curriculum, instruction, and assessments that lead students at all grade levels to genuine understanding. The second edition, a refined work, has been thoroughly and extensively revised, updated, and expanded, including improvement of the UbD Template, the key terms of UbD, dozens of worksheets, and some of the larger concepts. The authors have successfully put together a text that demonstrates what best practice in the design of learning looks like, enhancing for its audience their capability for creating more engaging and effective learning, whether the student is a third...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
