Tate Publishing Enterprises, United States, 2015. Paperback. Book Condition: New. 178 x 127 mm. Language: English . Brand New Book. In ABCs of Life, Lloyd Burner shares some of what he has learned about life and how to live it, while raising a family and spending many hours with young people in his church. One thing he has learned is if you have a good relationship with your heavenly Father, it will help you tremendously with these basic ABCs he has given you. Lloyd also says that, Always remember that whatever endeavor you undertake can be fun and enjoyable. Lloyd learned by experience while traveling the pathway the Lord had planned for him. He wrote his ABCs of Life to help you on your journey. It isn t easy being a teenager or a young adult, and one of the questions was, Did you have some of these same problems I am having when you were a teen? I was happy to answer, Yes, and hopefully provide an answer that would be helpful. This was just one of many questions asked during those years spent in ministering to young folks, from age thirteen to thirty. It was such a great privilege and pleasure for me and a fantastic learning experience.
